Hi Rose - I'll drop off a CD of the "Final 2009 Bathymetric Survey of Pilot Underwater Cap" report on your desk on my way out today. We have a separate "page" for the Pilot Underwater Cap" so thats where it should go (as opposed to Technical Documents). No rush to get it posted.

Thanks - Dave

p.s. - I think this is standard practice but just to be clear: the CD version will be the "source copy" for the RC. thx - DD
